2024/026 – Late FOIs

In response to your recent request for information regarding;

For the past year (Jan 1 2023-Dec 31 2023) how many FOI requests were responded to with a response (rather than just a confirmation of receipt) later than 20 working days, and what is the total number of working days late in total that it took for FOI requests to be responded to.

Out of 1341 requests received, we had 30 requests responded to after the 20 working days during 2023.

We do not record the number of working days a response is late. I have provided the date the request was received and the date it was sent.
