2024/094 - Vehicle Crime in Car Parks

In response to your recent request for information regarding;

Have searched for theft/criminal damage/arson (intentional damage) and physical assault offences reported 2020-2023 where the occurrence MO location is recorded as car park.

Have also searched for RMS RTC occurrences where the location type is also car park, although I imagine the majority of accidents in car parks would be relatively minor and not reported to police.

The request says three calendar years but also 2020-2023 so have included all four years just in case.
