2024/1006 - Delivery Driver Assaults/Attacks

In response to your recent request for information regarding;

1. How many crimes have been recorded where the victim's occupation was logged as 'Courier', 'Deliveryman', 'Delivery driver' or 'van delivery agent' between 2019 and 2024? Please note that if you do not use these specific terms, I am satisfied with any results where the victim is stated as being a delivery worker.

Please break the results down by:

1a) Month (e.g. January 2019, February 2019, etc).

1b) Victim occupation term

1c) The crime committed (for example: robbery, violence with injury, violence without injury, etc.)

1d) Location

2. In how many of these cases was a suspect arrested? Please again break this down by the categories stated above.

3. If possible and within the time and cost limit afforded to a search, please provide the incident report for each case.

Our information is set up and searchable for our policing purposes. We can search on occupations recorded, however without manual checking each individual occurrence we will be unable to advise if the victim was within the occupation at the time of the occurrence. The cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (FOI) Fees and Appropriate Limit regulations 2004.

Therefore, in accordance with the FOI Act 2000 the information you have requested is exempt under Section 12 (1), and this letter acts as a Refusal Notice under section 17 (5) of the legislation.

Although excess cost removed the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.
