2024/1028 - Fatalities

In response to your recent request for information regarding;

- **How many cases of fatalities were caused by not wearing a seatbelt in 2023 and 2024? Following this, which months saw the most cases?**

Injury road traffic collision (RTC) data is sourced from the Home Office Stast19 returns for the period of 01/01/2023 to 06/11/2024. Please note 2023 and 2024 data is provisional and is therefore subject to change.

During the time period there have been a total of three fatal collisions where seatbelts were not being worn.

One collision occurred in each of the months of August, September and October of 2023 with none in 2024.
