2024/1087 - Jewellery Thefts

In response to your recent request for information regarding;

Information on jewellery thefts reported by individuals (not retailers) in North Wales from the following time frames:

- **Between 1st January 2023 to 31st December 2023.**
- **From 1st January 2024 till the most recent recorded date of 2024.**

I'm specifically interested in: rings, bracelets, necklaces and earrings. However, if the data is not broken down into categories, then stolen jewellery and/or accessories in general is fine.

Here are my following questions:

- 1. How many of the items (rings, bracelets, necklaces and earrings) were reported stolen during the two time frames?**
- 2. Please can you share the total number of stolen jewellery items per month for each area over 2023/2024? If possible, broken down by jewellery category.**
