2024/1096 - Speed restrictions on A548

In response to your recent request for information regarding;

The rationale for the designated Speed restrictions on A548 between Prestatyn and Connah quay as some seem inconsistent with Highway Code. And the reason for positioning of speed camera opposite Greenfield valley in front of a 40mph sign visible before it.

The setting of posted speed limits, placing of road markings, signage and traffic calming is decided by the Local Authority/Trunk Road Agency and Welsh Government dependent on the road. The installation and positioning of the fixed camera would have been the responsibility of the Local Authority.

Please contact streetscene@flintshire.gov.uk, for further information regarding the speed limits on the A548 between Prestatyn and Connahs Quay and the positioning of the fixed camera at Greenfield.
