2024/1160 - Glass attacks

Although excess cost removed the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

In response to your recent request for information regarding;

- **The number of attacks involving glass that have happened over the past 5 years**
- **The severity of the attack and the injuries sustained**

VAP Offences recorded 17/12/19 to 16/12/24 + Weapons Stats Class = "Glass":
