2024/293 – Flintshire

In response to your recent request for information regarding;

Would it be possible to get the number of PO’s from the period June 2023 - December 2023. Would it be possible to split the response into two where one is for Flintshire South and one for Flintshire North. If possible could this be in a table which on the y-axis is the days and then on the x-axis is the time slots (00:00 - 00:59, 01:00 - 01:59) and then within the boxes please put the total number of PO’s that happened during the 6 months stated in the correct place.
