2024/331 - Speeding

In response to your recent request for information regarding;

I'd like to submit a Freedom of Information request for the North Wales Police offence data for speeding on the new 20mph roads starting from when it was enforced, which I believe was November 2023, until March 2024, broken down by village/ town. I'd like this data for all areas of North Wales that are in the North Wales Central Ticket Office coverage zone.

Police are monitoring complaints of speeding in 20mph, and will assess the threat of risk/harm in 'new' 20mph limits. No enforcement will take place without advance notice to the public. Enforcement is taking place in 20mph speed limits which were 20mph speed limits with approved enforcement locations prior to September 2023. Engagement remains the primary response from policing to the implementation of a default speed limit of 20mph in Wales.

THIS INFORMATION HAS BEEN PROVIDED IN RESPONSE TO A REQUEST
UNDER THE FREEDOM OF INFORMATION ACT 2000, AND IS CORRECT AS AT 21/03/2024
