2024/416 - BWV

In response to your recent request for information regarding;

We have recently supplied 1500 USB Cable Free Adaptors to Cambridgeshire Constabulary to use for personal issue radio lockers. These are used for personal issue radios, body worn videos (BWV) where 1 per locker has been issued to staff.

Question : Please can you advise how you store and charge your radios and BWV's and confirm if these may be useful to purchase for your constabulary.

The charger has 3 plug sockets and 2 USB charging points. The cost price is £3.98 per unit plus VAT /delivered.

North Wales Police use lockers with built-in in charging facilities for radios and docking stations for charging BWV.
