2024/439 - Operational Health

In response to your recent request for information regarding;

How many times have staff (defined broadly as both police officers, police staff, and other employees) been referred to, or self-referred to, Operational Health Services in every calendar year since 2010?

In other words, I am looking for the number of individuals seen, helped by, or treated by Operational Health Services in each year since 2010.
