2024/444 - Domestic Abuse

In response to your recent request for information regarding;

Of the reported domestic abuse incidents between 2019-2024 how many of the victims were pregnant? Please give a yearly breakdown.

Of those reported incidents how many of those resulted in the perpetrator being

charged with an offence? Please give a yearly breakdown and if within cost limits a breakdown of offence types. Of these, what was the gender, and if possible, age and geographic makeup of the suspected perpetrators?

If you do not currently keep such statistics on domestic violence in

pregnancy, what is the reason for this?
