2024/497 - Fish Pond

In response to your recent request for information regarding;

It was posted on social media a member of staff has very kindly donated his fish collection to the force HQ after the force had upgraded the pond.

How much did it cost to upgrade the pond please ?

October 2023 – emptying of pond, temporary storage of fish, pond clean, service of pumps and ancillary equipment = £1,960

March 2024 – additional period of fish storage (due to delays in the painting contract) and refilling the pond, restocking with fish, installing blue dye = £1,000

Is there an ongoing cost involved in keeping the fish ?

Annual fish food cost = £100 per annum
