2024/522 - Vehicle Theft & Recovery 2023

In response to your recent request for information regarding;

1. the records for theft of a motor vehicle from 01/01/2023 to 30/04/2024 (inclusive) month on month i.e. the number of vehicle thefts notified each month, in Excel format, detailing:

- a) Month/year of theft**
- b) make of the vehicle**
- c) model of the vehicle**
- d) categorisation of the vehicle i.e. car, van, motorcycle etc.**
- e) whether the vehicles concerned have been recovered**
- f) the month of recovery**

Please see the attached sheet.

Our information is set up and searchable for our policing purposes. To obtain the month of recovery involve manually reviewing each record on our force system. The cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (FOI) Fees and Appropriate Limit regulations 2004.

Therefore, in accordance with the FOI Act 2000 the information you have requested is exempt under Section 12 (1), and this letter acts as a Refusal Notice under section 17 (5) of the legislation.

Although excess cost removed the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

THIS INFORMATION HAS BEEN PROVIDED IN RESPONSE TO A REQUEST
UNDER THE FREEDOM OF INFORMATION ACT 2000, AND IS CORRECT AS AT 17/05/2024
