2024/530 - Counterfeit designer shoes

In response to your recent request for information regarding;

I am requesting information under the Freedom of Information Act 2000 regarding incidents of counterfeit designer shoes within your jurisdiction. This information is critical for a public awareness campaign I am developing to combat the spread of counterfeit goods.

Specifically, I seek detailed data concerning:

- Brands and models of shoes most frequently reported as counterfeited.
- Trends in counterfeiting of designer shoes over the specified period.
- Geographical breakdown of reported incidents, including any identified hotspots.
- Any notable cases or stories related to the seizure or discovery of counterfeit designer shoes.

I would appreciate if the data could be provided in a digital format (Excel or CSV), which includes:

- Date and location of each reported incident.
- Description of counterfeit goods involved.
- Outcomes of the investigations (e.g., arrests made, goods seized).

We have carried out a search for Occurrences with linked counterfeit property record 2019/20 to 2023/24 fiscal years + general property description "Clothing/Footwear".

There was a 'nil' return for any relevant occurrences.

THIS INFORMATION HAS BEEN PROVIDED IN RESPONSE TO A REQUEST
UNDER THE FREEDOM OF INFORMATION ACT 2000, AND IS CORRECT AS AT 17/05/2024
