2024/565 - 999 response times

Although excess cost removed the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

In response to your recent request for information regarding;

I am requesting the following information under the Freedom of Information Act:

- 1. The categories of 999 calls used by the police force in 2012 (i.e. to prioritise 999 calls), and the descriptors of each category**

Our information is set up and searchable for our policing purposes. To obtain the information in the format you have requested from 2012 would involve manually reviewing each record on our force system. The cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (FOI) Fees and Appropriate Limit regulations 2004.

Therefore, in accordance with the FOI Act 2000 the information you have requested is exempt under Section 12 (1), and this letter acts as a Refusal Notice under section 17 (5) of the legislation.

- 2. The average response time to 999 calls for each category in calendar year 2012**

Please see the answer to question one.

- 3. The categories of 999 calls used by the police force in 2015, and the descriptors of each category**

Please note: we have different opening & closing categories/ descriptions therefore both have been provided:

- **If figures are unavailable for calendar years, please use financial years instead**
- **If information is not available for 2015, please use the earliest year after 2015 for which information is available**
- **Where there has been no change in categories or descriptors between years, the police force should simply refer back to its response regarding the previous year (while providing response time figures for all requested years)**

- **Questions regarding average response times are seeking the average response time for each separate category of 999 call**

Just to clarify, "response time to 999 calls" in the FOI request below (and attached) refers to the time taken for police to attend following a call, rather than the time taken to answer the phone
