### **2024/616 - Accident Data**

In response to your recent request for information regarding;

**The Halkyn Community Council wish to receive information as to the number of reported accidents between the following dates: From January 2021 to June 2024: In the areas of both the eastbound slip road at Casino junction on the A5026 leading from The Nant area and the A55.**

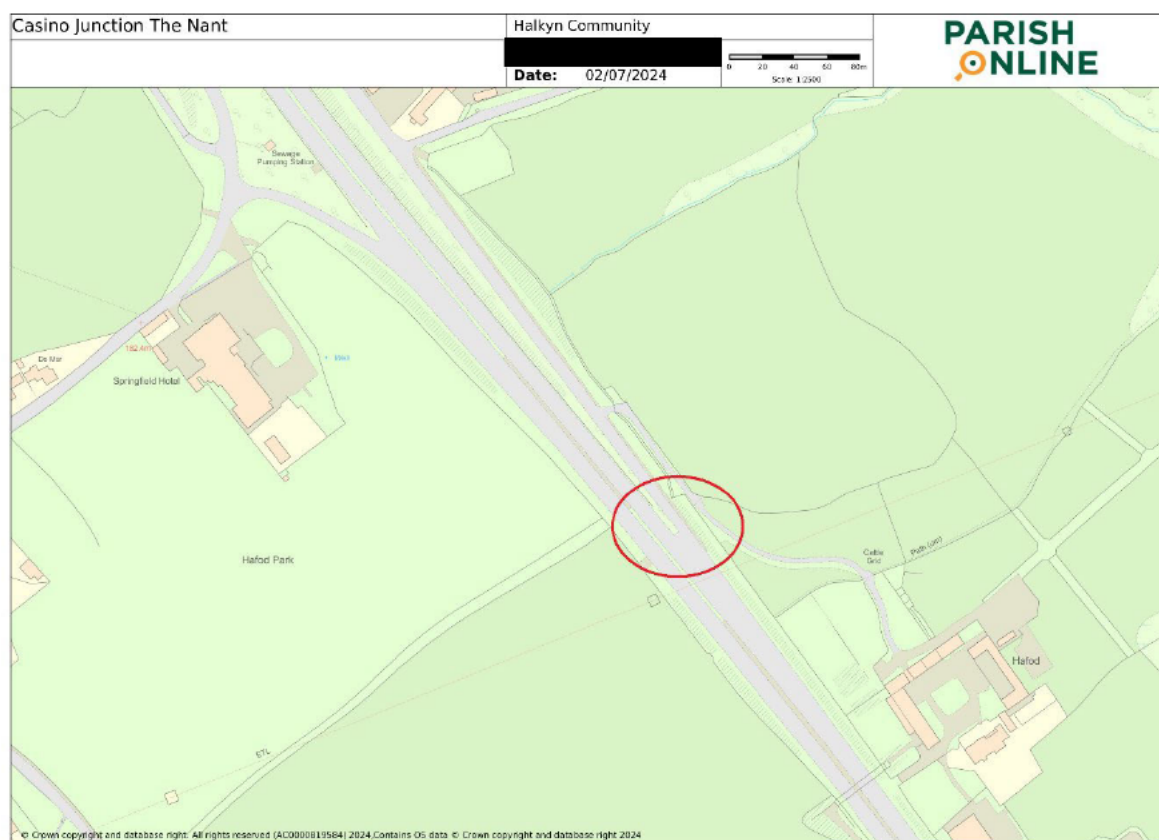

#### **Clarification requested;**

**There is no junction called Casino on our mapping therefore could you please provide co-ordinates or a map of the area in order for us to complete the request?**

**Below is a map of where we think the on slip may be, but we do require clarification.**

#### **Clarification received;**

**I confirm, that the area referred to in the embedded map is correct; I have attached a jpeg map whereby I have ringed the junction in red.**

The injury road traffic collision (RTC) data is sourced from the Home Office Stats19 returns for the period of 01/01/2021 – 30/06/2024. Please note that 2024 data is considered provisional, therefore subject to change.

The data was further broken to the specific area detailed above.

There have been 2 serious collisions and one slight collision resulting in 2 serious casualties and 2 slight casualties in this area and also 8 damage only collisions.

Please see the map below of the location reviewed: Start Easting – 320579, Start Northing – 372454 & End Easting – 320914, End Northing 372038.
