2024/707 - Car thefts (2019 to 2023)

In response to your recent request for information regarding;

- 1. The total number of car thefts reported within your police force area for the last five calendar years (2019, 2020, 2021, 2022, and 2023). I do not require information on all vehicle thefts, just passenger cars.**
- 2. Please could you also split this data by make and model of each stolen car, and by the colour of each stolen car, where available.**

When referring to car theft, I mean offences of taking a motor vehicle without consent under Section 12 of the Theft Act 1968 (outlined here:
