2024	6	26	6	21

- Referring to Violence Against the Person crimes that took place in schools and nurseries/kindergartens in June 2024 only, in what number of cases was CCTV footage reviewed as part of the investigation? Please also state the number of times CCTV was not available or existent to corroborate a reported incident, if that information is recorded.**

I understand that this may mean manually examining crime records to see if CCTV was reviewed. If this is the case, please examine the 33 most recent records, and then state the amount that reviewed CCTV.

Obtaining data to establish whether CCTV was reviewed does require a manual search. We have considered all information held in June 2024:

There were 26 occurrences for June 2024 where the location subtype was 'school' or 'Daycare/nursery':

2 x cases where CCTV was reviewed
2 x cases where CCTV was available and not provided in two cases.
22 x cases where no CCTV was available/existent/reviewed

3. Please provide the monthly figure for Violence Against the Person crimes that took place in care homes between June 2022 and June 2024.

Please see the answer to question one.
