2024/732 - Road traffic collisions

In response to your recent request for information regarding;

By year since 2019:

Where you have figures, the number of road traffic collisions in which records show the Tesla Autopilot driver assistance system was active before the collision.

Where you have figures, the number of road traffic fatal collisions in which records show the Tesla Autopilot driver assistance system was active before the collision.

For each fatal collision, if possible, could you provide a short description of the incident, including who the fatalities were (driver, passenger, those in other vehicle, pedestrian, etc)

The information we hold would only record the make and model of the vehicle and would not contain if the auto pilot assist was used.
