2024/767 - Microsoft Licensing Statement

In response to your recent request for information regarding;

I request that you supply me with a copy of North Wales Police's (NWP) most recent Microsoft Licensing Statement (MLS). I am not requesting this information to generate any business. We are not looking to buy, or, sell software licences, as we are no longer trading. We only want to understand how the forces Microsoft portfolio has evolved over the years and what (if any), perpetual licences are still owned.

We have reached out to almost every public authority in the country and have requested and received many MLS's. An MLS you may have that is dated in the last 4 years or so would normally be adequate. Please send me the full MLS which will have the following tabs along the bottom, which, will be, in the form of an Excel document

Introduction	Organization Summary	License Summary	Transaction Summary	License Agreements	MPSA	Transaction Data	FAQ and Glossary	Pivot Data
