**2024/846 - Phone, laptop and watch thefts**

In response to your recent request for information regarding;

**I'm looking for information on phone, laptop and watch thefts in North Wales Police from the following dates:**

- Between 1st January 2023 to 31st December 2023**
- From 1st January 2024 till now**

**Here are my following questions:**

- 1. How many of the three items (phone, laptop and watches) were reported stolen during the two time frames?**
- 2. How many items were recovered during the two time frames?**
- 3. Which areas had the most reports of the stolen items and how many in the two time frames?**

**Please can the data of each stolen item be shared for each month of the years requested, in an itemised spreadsheet on two spreadsheets (Reported v. Recovered).**

Counts of unique property records in theft/burglary/robbery occurrences with a stolen property classification + counts where the classification also includes "recovered" or "found" - this is reliant on the correct classification being applied.

MPA = Mobile Phone

MOB = Laptops/Tablets/PDA
