2024/888 - Complaints of homophobic misconduct by officers

In response to your recent request for information regarding;

I am interesting in establishing how many complaints of homophobic behaviour committed by North Wales police officers were investigated by your Professional Standards Department between 1 August 2021 and 31 December 2023. How many of these were upheld?

It would also be useful to have these statistics broken down by division, for example the number of complaints against officers in Western division.

Clarification

Yes please supply the figures for discrimination based upon sexual orientation
