**2024/948 - Driving Offences Per Region Resulting in Fines**

In response to your recent request for information regarding;

**I am looking for information regarding driving offences per region, across the last four years.**

**I would like to receive the below information in excel format please:**

- List of all driving offences committed that resulted in a fine, broken down per year 2021, 2022, 2023 and 2024 up to September 2024**
- Amount of fines paid per driving offence, broken down per year 2021, 2022, 2023 and 2024 up to September 2024**

**Clarification requested;**

**Not all driving offences result in 'fines' some are offered and attend courses and some will opt for court and the 'fine' is then dealt with through the courts.**

**do you require all outcomes or just those who did received fines through the fixed penalty?**

**Clarification received;**

**I have been advised by another constabulary that they cannot provide a breakdown of offences committed specifically resulting in a fine. Therefore, please can you just provide a list of all driving offences committed from 2021-2024 by number?**

The total number of driving offences (Jan-Dec) relating to speed cameras are -
