2024/951 - Motorcycles

In response to your recent request for information excess cost is relevant to part which removes the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request;

I would like to request the following information, recorded by your police force, for the calendar years 2021, 2022, and 2023:

1. The number of motorcycle accidents resulting in:

- a) Death**
- b) Serious injury**

For each accident, please include the following details (if available):

- Likely cause or contributing factors (e.g., speeding, road conditions, etc.).**
- Was the motorcyclist wearing a helmet? (Yes/No/Unknown/Not Recorded).**
- The time of day the incident occurred, using the following time brackets:**
 - 00:00-06:00 (Early Morning)**
 - 06:01-12:00 (Morning)**
 - 12:01-18:00 (Afternoon)**
 - 18:01-00:00 (Evening/Night).**
- Gender of the motorcyclist involved (if recorded).**

Please find attached data in relation to question 1.

Injury road traffic collision (RTC) data is sourced from the Home Office Stast19 returns for the period of 01/01/2021 to 31/12/2023. Please note 2023 data is provisional and is therefore subject to change. Collisions have been refined to include killed or seriously injured collisions. Please note up to 6 contributory factors can be recorded per collision, these contributory factors are recorded for all vehicles/pedestrians involved, not just the contributory factors of the motorcyclists.

There is no specific field within the stats 19 to record whether a helmet was worn by motorcyclists, to find this data a manual search of each collision would be necessary. The cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (FOI) Fees and Appropriate Limit regulations 2004.

Therefore, in accordance with the FOI Act 2000 the information you have requested is exempt under Section 12 (1), and this letter acts as a Refusal Notice under section 17 (5) of the legislation.

2. The number of driving offences committed by motorcyclists, (e.g., speeding, not holding a valid licence, not wearing a helmet).

For each offence, please include:

- The gender of the rider (if recorded).
