2024/959 - Machinery theft at a construction site

In response to your recent request for information regarding;

- **The number of times your police force has been called about a vehicle or machinery theft at a construction site within the last five years (calendar years are fine).**
- **Further, the number of times you were called about a vehicle or machinery theft at a construction site and were able to recover the asset in the last five years (calendar years are fine).**

If possible, please specify what vehicle or machinery was stolen, within the last five years (calendar years are fine).

That information would be appreciated if you could break the data down by region/ city.
