2025/003 - Trans officers

In response to your recent request for information regarding;

There is police guidance online that suggests:

"Individuals who identify as gender-fluid may require two cards to reflect their gender on different days."

Are you able to let me know how many trans/gender-fluid officers currently have more than one warrant/identity card to reflect different genders?

We have no officers recorded as Transgender or Gender Fluid, so currently no officers have two Warrant/ID cards.
