2025/045 – Spiking Incidents

Although excess cost removed the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request

In response to your recent request for information regarding;

Confirmed or suspected spiking incidents involving vapes or similar over the last 5 years (2020, 21, 22, 23, 24 – i.e. attended / charged / investigated incidents)

I would like this information broken down by the following, where available:

- **Age**
- **Gender**
- **Whether the incident occurred at a place of education, for example school or college**
- **Whether the victim required any treatment at hospital**
- **Date of the incident**
- **The drugs involved i.e. spice, nitazenes**

Background:

I don't know how these offences may be recorded in your system, but the range of crimes listed could include:

- **Administering drug with intent to commit indictable offence**
- **Administering poison so as to endanger life**
- **Use of noxious substances or things to cause harm and intimidate**
- **Administering poison with intent to injure or annoy**
- **Administering a substance with intent**

Please where possible cross reference these offences with records that directly mention spiking and vapes.

Our information is set up and searchable for our policing purposes. To obtain the information in the format you have requested regarding 'Whether the victim required any treatment at hospital' or 'The drugs involved i.e. spice, nitazenes' would involve manually reviewing each record on our force system. The cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (FOI) Fees and Appropriate Limit regulations 2004.

Therefore, in accordance with the FOI Act 2000 the information you have requested is exempt under Section 12 (1), and this letter acts as a Refusal Notice under section 17 (5) of the legislation.

Please find attached an excel spreadsheet containing the information we have been able to retrieve.

THIS INFORMATION HAS BEEN PROVIDED IN RESPONSE TO A REQUEST
UNDER THE FREEDOM OF INFORMATION ACT 2000, AND IS CORRECT AS AT 21/01/2025
