2025/060 - Transgender or Gender Fluid

In response to your recent request for information regarding;

In a previous FOI request, you said "We have no officers recorded as Transgender or Gender Fluid, so currently no officers have two Warrant/ID cards."

Does this mean that if there were trans/fluid officers, there would be an opportunity to have two warrant/ID cards if needed?

As our ID/Warrant Cards are not gender specific there is no requirement to have two ID cards.

If a Staff Member or Officer was to transition to a different gender we would create them a New ID card with their picture and there Legal name.
