2025/1006 - Child Sexual Exploitation (CSE)

In response to your recent request for information regarding;

Primary request: record-level dataset

Please provide record-level (row-by-row) data for all CSE-related crimes in your force area for each calendar year 2010–2024 inclusive (and 2025 year-to-date if available).

A) Scope / definition

- Confirm the operational definition of “Child Sexual Exploitation (CSE)” and whether you use a CSE flag/marker.
- If no CSE flag exists, please state which Home Office offence codes or crime classifications you use to identify CSE offences (e.g., grooming, arranging/facilitating child sexual offences, sexual communication with a child, controlling child prostitution/indecency, etc.).

B) Requested dataset fields (record-level, anonymised)

For each relevant record, please include:

- Year of offence/record
- Crime classification/offence code
- Outcome code (Home Office outcome type, with description if available)
- Arrest made (Y/N)
- Suspect sex (M/F/Other/Unknown)
- Suspect ethnicity (classification used by force)
- Suspect nationality (if recorded; if not, state “not recorded”)
- Suspect religion (if recorded; if not, state “not recorded”)
- CPS referral (Y/N)
- CPS charging decision (if recorded by police)

C) Format

- Please supply data in machine-readable CSV with a data dictionary (field definitions, code lists, outcome descriptions).
- Remove any direct personal identifiers (names, DOB, addresses, case numbers).

Fallback request: aggregated data

If providing the above record-level dataset would:

- exceed the s.12 cost limit,
- or be refused under s.40 (personal information) or s.31 (law enforcement),

then please instead provide annual aggregated totals for 2010–2024 (and 2025 YTD):

- 1. Number of recorded crimes meeting your CSE definition.**
- 2. Outcomes for those crimes by Home Office outcome type.**
- 3. Number of arrests of suspects, broken down by:**
 - Sex (M/F/Other/Unknown)
 - Ethnicity (force's classification)
 - Nationality (if recorded)
 - Religion (if recorded)

4. Number of CPS referrals for charging decisions.

5. CPS charging decisions recorded by police (Charge/Alternative charge/No further action/Out of court/etc.).

We have searched our system for CSE flagged occurrences from 2010. However, the first occurrence returned is 2013.

Duplicate occurrences may occur where multiple suspects are linked.

We are unable to extract data in relation to CPS/Charging decisions. To obtain the information in the format you have requested would involve manually reviewing each record on our force system. The cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (FOI) Fees and Appropriate Limit regulations 2004.

Therefore, in accordance with the FOI Act 2000 the information you have requested is exempt under Section 12 (1), and this letter acts as a Refusal Notice under section 17 (5) of the legislation.

Although excess cost removed the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.
