In response to your recent request for information regarding;

- 2. Can you list the number of offences last year where an e-scooter has been used by a suspect to commit a crime;**

- 4. Can you list the number of offences last year where an e-scooter has been used by a suspect to commit a crime over the last 3-5 years (whichever is most financially obtainable);**

Our information is set up and searchable for our policing purposes. We have searched for occurrences in calendar years 2021-2025 with keyword search for electric bike / e bike or Involved Bicycle Type "Electric". This resulted in over 850 occurrences, to establish how the e-bike was involved would involve manually reviewing each record on our force system. The cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (FOI) Fees and Appropriate Limit regulations 2004.

Therefore, in accordance with the FOI Act 2000 the information you have requested is exempt under Section 12 (1), and this letter acts as a Refusal Notice under section 17 (5) of the legislation.

Although excess cost removed the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, retrieved for your request. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.
