2025/1051 - Red Gables Hotel

In response to your recent request for information regarding;

I am hoping to obtain a copy of a photograph of the above property (now demolished), which was a crime scene in 1976.

S4C used the photo in question to advertise a documentary. The photo is visible on google images.

The organisation who produced the documentary no longer exists, however, I managed to contact a former worker, who suggested that the photo was sourced from either North Wales Police or from the pathologist (now retired) who conducted investigations at the time.

I wish to obtain a copy of the photo for my own private research only. Firstly, I need to ascertain if North Wales Police do indeed retain a copy of the photo on file?

Please find attached.
