2025/1091 - Crime Near EV Charging Stations

In response to your recent request for information regarding;

Please could you provide the following information for your force area, covering the period 1st January 2020 to 30th September 2025 (or most recent available):

1. The number of reported crimes that took place:

At public EV charging stations

Or within 50 metres of a public EV charging station

2. Please break this down by:

Year

Crime type

Location (postcode or nearest street)

3. If recorded, please also include:

Whether CCTV footage was available

Whether the area was lit at the time (if noted)

If this request exceeds the cost limit, please prioritise providing:

- **A total yearly crime count near EV charging stations**
- **The top 10 most affected locations**

We are unable to search for crime 50 metres from a EV charging station or specifically at charging stations. We have searched for crime recorded between 01/01/22 - 30/09/25 with keyword search for "EV charg" in the property remarks, occurrence summary or occurrence enquiry log.

Calendar Year	HO Description	Location	Summary
2022	Other criminal damage, other (Under £5000.00 damage)	GWERSYLLT, WREXHAM	Caller reporting that in December last year the EV charge points at the location address were damaged. They have since been removed to make safe.
2022	Other criminal damage, other (Under £5000.00 damage)	WREXHAM	IP reporting on behalf of council - reporting that an EV charging point has been damaged in car park at the location. Unknown exactly when this has taken place
