-Please provide a monthly breakdown into details of the person arrested, such as their age, gender, nationality and location from the period stated above.

-And I ask anything within the spirit of the request be included in the response.

I also request the following information be presented in a document that can be copy and pasted from, and can allow for keywords to be searched in the document.

Please report information such as dates and ages in the format Police collect it.

We don't have a "confiscated" flag for property, we have extracted all firearms / weapons property records created from 01/01/20. We have extracted as much of the requested data as possible.

We have also conducted a search for stop search records where the search object was a weapon and the record states the object being searched for was found, or if we searching for other items and found a weapon instead. Where we have a stop search that meets the criteria we have searched for property records with seized classification.

Please find attached all data retrieved.
