

Response Date:10/11/2025

### **2025/1138 - Stop Search**

In response to your recent request for information excess cost is relevant to part which removes the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

**Can you provide 100 random samples from stop and search incident logs (Which you must record) between 1st January 2024 and 1st January 2025 with the following information? To ensure fairness, I request that the 100 incidents be randomly selected (e.g. by applying a random number generator across the dataset of all incidents in the timeframe). Please record what random sample method you used.**

**For each one of the samples, can you please provide the following:**

- 1. Which random number log was it?**
- 2. Identify whether it was public-initiated or Police-initiated (Definition below).**
- 3. 3a. If the search was public-led, record the caller's description of the suspect (including sex, ethnicity, age, and where recorded).**
- 3b. Record the officer's description of the person being searched (including sex, ethnicity, age, and where recorded).**
- (Complete both if information is provided by both the public and the officer.)**

**4. Time/date of the search**

**Please see the example table format below to illustrate the type of information I am requesting. I am not asking you to follow this exact layout - it is only a mock example to show the type of data I am seeking.**

Please find attached response to this request. Please note that this list contains details of all stop and searches between 01/01/2024 and 01/01/2025. We do not hold a random sample, we are not required to create data.

To obtain the caller's description of the suspect would involve manually reviewing each record on our force system. The cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (FOI) Fees and Appropriate Limit regulations 2004.

Therefore, in accordance with the FOI Act 2000 the information you have requested is exempt under Section 12 (1), and this letter acts as a Refusal Notice under section 17 (5) of the legislation.
