2025/1139 - Camera Information

In response to your recent request for information regarding;

For camera 794.

I want information on this camera

1. Amount of convictions

GoSafe does not hold the information in relation to the number of convictions.

Between 17/09/2023 and 31/10/2025 13491 NIPs issued for speed, 2184 20 MPH Advisory Process.

2. The results of each i.e. speed

Same as above, all offences are speed related.

3. Last time the camera was tested

The camera was last calibrated on the 15/01/2025. Testing of all fixed cameras (including any additional testing) is completed outside of North Wales Police. Calibration certificates are issued every 12 months in accordance with HOTA and are located on Go-Safe official website – please note the website may not be fully up to date.

4. Please provide details of the speeds each offence was committed by, in particular how many offences were committed by "speeding" of 26mph in the 29mph zone.

As well as the calibration details for the camera.

Calibration details as above.

The below table shows the total number of offences broken down by the speed.
