2025/1186 - Dog attacks

In response to your recent request for information regarding;

- 1) How many dog attacks were recorded in the police force area over the last five years (calendar or financial years will do - however you record them)?**

Please see the answer to question 2 and 3.

- 2) Can you provide a breakdown of the age of the victims involved in the attacks over the last five years? For the purposes of this question, age ranges would suffice.**
