In response to your recent request for information regarding;

Could you please confirm how many suspects have been arrested on suspicion of manslaughter following a suicide after domestic abuse over the past five years? (2020 - 2025, inclusive).

Could you please confirm the status of these investigations in each case? eg. charged, NFA, RUI.

Could you please break these figures down year by year?

I'm referring to domestic abuse suicides where a DA victim has taken their own life, and the suspected DA/DV perpetrator has been arrested on suspicion of manslaughter.

We have searched for Manslaughter Arrests 2020-2025 with a Domestic Abuse Flag. The summary of each occurrence has been read to ascertain relevance to your request. None relate to suicide.
