2025/1265 - Child abduction

Although excess cost removed the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

In response to your recent request for information regarding;

The total number of child abduction warning notices issued by the force for each year since 2008

Our information is set up and searchable for our policing purposes. To obtain the information in the format you have requested would involve manually reviewing each record on our force system. The cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (FOI) Fees and Appropriate Limit regulations 2004.

Therefore, in accordance with the FOI Act 2000 the information you have requested is exempt under Section 12 (1), and this letter acts as a Refusal Notice under section 17 (5) of the legislation.

However, please find below all Niche occurrence reports (NWP occ address) with 'CAWN notice type' available for extraction:
