Yn gwneud Gogledd Cymru'r lle mwyaf diogel i fyw, gweithio ac ymweld yn y DU
Making North Wales the safest place to live, work and visit in the UK

The reason for this for example is in some forces the Neighbourhood is SNT, NPT, NHT, NST and Response can be Intervention, Emergency Response, Patrol.. the official names your force use.

A example of this is:

Emergency Response Team - London Central
Emergency Response Team - London South
Neighbourhood Policing Team - London Central

(This may be seen as a exemption but, for information, multiple forces have provided that information for example Wiltshire)

3. Does your force utilize area cars? This is "advanced" cars driven by IPP officers.

No.

4. Can I get a list of the stations available AND the area they belong to... i.e.-

London Central Station - London Central
London Rural Station - London South.
