2025/1294 - Bus Violence

In response to your recent request for information regarding;

4. **Does your police force record bus violence?**
2. **How many police call outs to buses due to violence have there been in each of the last five years?**
3. **How many arrests due to bus violence have there been in each of the last five years?**
4. **Do you record if the bus driver was the victim of this violence if so, please can I have the figure for violence against bus drivers for each of the last five years?**
5. **Has your police force introduced specific measures in the last five years to reduce bus violence, if so can you explain what those measures are?**

Our information is set up and searchable for our policing purposes. We have searched our systems for all Violence Against the Person (VAP) offences recorded in last 5 calendar years with a bus related location type (bus/coach, bus stop, bus station) or other offences with a blank location type referencing "bus" in the occurrence summary. To ascertain any further information in relation to your request would involve manually reviewing each record. The cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (FOI) Fees and Appropriate Limit regulations 2004.

Therefore, in accordance with the FOI Act 2000 the information you have requested is exempt under Section 12 (1), and this letter acts as a Refusal Notice under section 17 (5) of the legislation.

Although excess cost removed the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.
