2025/132 - Trafficking and modern slavery

In response to your recent request for information regarding;

1. Do you routinely support victims of trafficking and modern slavery to submit a reconsideration request to the Competent Authorities within the National Referral Mechanism (NRM) following a negative Reasonable Ground or Conclusive Ground decision?

2. If the answer to question 1 is negative, could you please provide a reason.

No. We do not routinely support victims to submit a reconsideration as the information sharing process is robust and North Wales Police engage well with the SCA throughout the process.

3. If you are not able to support the individual with submitting a reconsideration request, do you routinely signpost them to other organisations?

Potential victims of modern slavery are signposted and offered referrals to BAWSO and the specialist modern slavery victims support worker.

4. Can you provide the number of reconsiderations requests you have submitted for the year 2023 and 2024? Could you please provide this data breakdown by year?
