2025/349 - Racial and religious hate crimes

In response to your recent request for information regarding;

- 1. The number of race hate crimes recorded by the force in 2022, 2023, 2024 and the first two months of 2025.
Can the information be categorised by month and the ethnic group of the victims please.**
- 2. The number of religious hate crimes recorded by the force in 2022, 2023, 2024 and the first two months of 2025.
Can the information be categorised by month and the religion of the victims please.**
- 3. From the figures provided in 1. and 2. how many were recorded as racially or religiously aggravated assault (including injury and without injury).
Can the information be categorised by month please.**
- 4. The three most common racially or religiously aggravated offences recorded by the force in 2022, 2023, 2024 and the first two months of 2025.**

Please note:

Notifiable Offences recorded between January 2022 and February 2025 with a racial or religion/belief hate crime flag applied. Excluded from this data are notifiable hate offences where there is no person identified as aggrieved (i.e. no victim identified or the aggrieved is a business/organisation). Multiple hate flags can be applied to occurrences therefore there may be overlap in occurrences flagged as both racial and religiously aggravated

Religion is not a characteristic recorded against a person's nominal record - there are hate flags that flag by religion and this has been used for counts. Again, as multiple flags can be recorded there may be duplication in the small number of occurrences where different religion flag types are applied in the hate crime field.
