2025/428 - Information Sharing System

In response to your recent request for information regarding;

As part of the UKRI International Law Enforcement Information Exchange Project, examining how information can be effectively exchanged between law enforcement agencies, we would like to ask you to provide the following information:

What systems does your force use to share information with other police forces or partners here in the UK? (Please list the systems, i.e. PND/PNC; If possible, additionally indicate what you use each system for).

PNC – Police National Computer – used for conviction history

PND – Police National Database – A database used for all forces in UK to look at intel and crime offences from all forces and some agencies in the UK

Partner referral form – Partners can share intelligence with North Wales via the partner referral form

RMS – Record Management System - North Wales, Cheshire, Dyfed Powys, and Merseyside Police all have access to each other's intel and occurrences

THIS INFORMATION HAS BEEN PROVIDED IN RESPONSE TO A REQUEST
UNDER THE FREEDOM OF INFORMATION ACT 2000, AND IS CORRECT AS AT 23/04/2025
