2025/445 - Repeat victimisation rates

In response to your recent request for information regarding;

I am looking to collect data from other police forces about their current repeat victimisation rates. I would like the number of Repeat Victims between April 2024 and April 2025, and what percentage of domestic incidents that this equates to.

Clarification

I would like to know the figures of total domestic incidents as well as the total of incidents whereby there has been more than one domestic report linked to an individual. This would be for 1st April 2024 - 31st March 2025. Domestic incidents only please, and any offenders to be considered.

Total DA Occurrences	Occurrences involving victims with 2+ occurrences in period
16920	8382
