2025/520 - Use of force

In response to your recent request for information regarding;

Thanks very much for your response (2025-510). This is the last thing I will ask on this request, but is it possible to please tell me if the suspect in each of the two incidents was injured as a result of the officer's actions and if so what those injuries were?

There is no injury recorded as a result of use of force for either occurrence.
