2025/535 - Mobile Device Offences

In response to your recent request for information regarding;

- 1. How many incidents were recorded in 2023/24 and 2024/25 under the code RV86019 (Use a handheld [mobile phone or handheld device] while driving)? Please break the results down by year and broad location (e.g. town)**
- 2. Which ten roads in the region had the most RV86019 incidents? Please provide the number of incidents on each of the ten roads.**

In each year, how many incidents resulted in the following outcomes:

- Fixed penalty notice (please provide the total paid in fines if possible)**
- License endorsed**
- Prosecutions (please provide the total paid in fines after prosecution if possible)**
- Cancelled/Not completed**

Please find attached.

We do not hold the total paid in fines as fines are paid to the treasury.

Please note that the 2024-25 files are still ongoing and therefore the data will change as it can take up to 6 months to resolve files.

3. How many RV86019 incidents resulted in an accident? Of those, how many led to one or more persons being injured or killed?
