- **The contract end date and any extension period that may be used**
- **A brief description of the service or goods provided by each supplier**

If no formal contract is currently in place for any of these items, please provide for the most recent complete financial year:

We have the printed services contract - we buy the officer and staff business cards from them and other printed documents. For the cards the spend is around £2,000 per year - we don't have a contract in place for lanyards but see below details for where we are buying them from. The printing of ID cards is done in house using our Xerox printers and consumables.
