2025/560 - BBQ-related Incidents and Arrests

In response to your recent request for information regarding;

I am writing to request the following information under the Freedom of Information Act 2000 regarding incidents involving barbecues (BBQs) over the past 3 years:

Time Period: January 2022 to the most recent available month in 2025

Breakdown: Ideally by month and by city/town, or region if more appropriate

- 1. The number of call-outs where BBQs were a contributing factor (e.g., reports of fire, public disturbance, antisocial behaviour, etc.). If you can provide the call out type with this it would be great but total number if not.**
- 2. The number of arrests or charges brought as a result of fires started by BBQs.**
- 3. The number of arrests or charges brought in connection with disturbances at BBQs (e.g., alcohol-related, antisocial behaviour, fights, etc.).**

Please provide any relevant caveats on how this data is recorded or retrieved.

We have conducted a keyword search of 'BBQ' on our Icad system which records incidents called into our control room;
