2025/669 - College of Policing's Evidence-Based Policing (EBP) Maturity Model

In response to your recent request for information regarding;

Please could you provide the following information:

- 1. Has your police force used the College of Policing's Evidence-Based Policing (EBP) Maturity Model?**
- 2. If so, do you have a policy or formal guidance on the routine use or implementation of the EBP Maturity Model?**
- 3. Who within your organisation is responsible for completing or overseeing the use of the EBP Maturity Model (e.g., job title or department)?**
- 4. If available, please provide any documentation, policies, or internal communications that outline your approach to the EBP Maturity Model.**

North Wales Police do not currently specifically use the EBP Maturity model.

We are looking at how to utilise this and drive it forward through the work of the Prevention Hub including Problem Solving and Diversion Schemes. It is the practice referenced within our NPT Guarantee Performance framework.

In addition the SEBP Wales Volunteer Coordinator has recently changed and this role is now undertaken by the NWP Checkpoint Manager.
